NON STREAMLINED INTERNATIONAL APPLICATIONS ACCEPTED FOR FILING

Section 214 Applications (47 C.F.R. § 63.18); Authorize Switched Services over Private Lines (47 C.F.R. § 63.16) and Section 310(b)(4)

Unless otherwise specified, the following procedures apply to the applications listed below:

The applications listed below have been found, upon initial review, to be acceptable for filing. These applications are not subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications shall not be deemed granted until the Commission affirmatively acts upon the application, either by public notice or by written order. Operation for which authorization is sought may not commence except in accordance with any terms or conditions imposed by the Commission.

Unless otherwise specified, interested parties may file comments with respect to these applications within 28 days of the date of this public notice. We request that such comments refer to the application file number shown below. No application listed below shall be granted by the Commission earlier than the day after the date specified in this public notice for the filing of comments.

Unless otherwise specified, ex parte communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206.

Copies of all applications listed here are available for public inspection in the FCC Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington DC 20554. The center can be contacted at (202) 418-0270. All applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.

Mobile Satellite Ventures Subsidiary LLC

Modification

Mobile Satellite Ventures Subsidiary LLC (MSV), requests, pursuant to Section 63.13 of the rules, that the Commission reclassify MSV as a non-dominant international carrier on the U.S.-Canada route. In November 2001, MSV was classified as dominant on the U.S.-Canada route because it was more than 25 percent owned by TMI Communications and Company, LP (TMI), which in turn was directly owned by BCE, Inc. (BCE), which owns or is affiliated with foreign carriers presumed to have market power in Canada. See Motient Services Inc. and TMI Communications and Company, LP, Assignors, and Mobile Satellite Ventures Subsidiary LLC, Assignee, File Nos. SAT-ASG-20010302-00017 et al. 16 FCC Rcd 20469, 20479-80, paras. 27-30 (2001). According to the MSV filing TMI's interest, and thus the indirect interest of BCE, in MSV has fallen below 25 percent and thus BCE is no longer affiliated with MSV under the Commission's rules. See 47 C.F.R. 63.09(e). Specifically, TMI's direct interest and BCE's indirect interest in MSV is now approximately 21.8 percent. Interested parties may file comments by November 10, 2005, and reply comments by November 18, 2005.

REMINDER:

Applicants must certify that neither the applicant nor any party to the application is subject to a denial of federal benefits by federal and/or state courts under authority granted in 21 U.S.C. § 862. See 47 C.F.R. §§ 1.2001–.2003.
